

How to Connect an iOS Device (iPhone, iPad, etc.) to BraveWifi

From the home screen, select **Settings, Wi-Fi, BraveWifi** and then enter your network (BraveWeb) username and password. Click **Join**.

A screenshot of the iOS 'Enter Password' dialog. The title bar contains 'Cancel', 'Enter Password', and 'Join' (circled in blue). Below the title bar are two text input fields labeled 'Username' and 'Password'. At the bottom, there is a 'Mode' section with 'Automatic' and a right-pointing chevron.

Select **Trust**.

A screenshot of the iOS 'Certificate' dialog. The title bar contains 'Cancel', 'Certificate', and 'Trust' (circled in blue). Below the title bar is a certificate card for 'ise.uncp.edu', issued by 'InCommon RSA Server CA'. The card shows 'Not Trusted' in red text and an expiration date of '7/11/20, 7:59:59 PM'. At the bottom, there is a 'More Details' link with a right-pointing chevron.

You will then have Internet access.
